Studywiz Presentation
AISR February 7th 2008

Invitation

You are cordially invited to attend a Seminar/Presentation on Studywiz "The world's easiest learning platform" on Thursday, February 7th in the American International School of Rotterdam (AISR) from 10.00 a.m. to 12 noon. The presentation will include an introduction to Studywiz by Thomas Hennessy VP for International Schools and a presentation on the usability of Studywiz by Steve Moore, Curriculum Support Manager as well as a presentation by a member of AISR staff on how they use Studywiz in their school. There will also be a short presentation on Studywiz in Dutch by one of the AISR staff members.

Studywiz is presently used in numerous prestigious international and state run schools worldwide including UWCSEA (Singapore), WAB (Beijing), American International School of Rotterdam, TASIS (UK), all schools in The State of Maine USA, numerous LA's in the UK as well as numerous Universities. Studywiz is available in numerous languages also including English, German, Dutch, Czech, Japanese, French and Russian.

Studywiz is also BECTA approved and is suitable for use no matter what curriculum is on offer in your school. Studywiz launched numerous new modules at the recent BETT show in London which will be demonstrated during the presentation in AISR.

I would like to thank AISR for hosting this event and I look forward to meeting you on February 7th. For further information on Studywiz please log onto www.studywiz.com
